

Amendment to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1 (currently amended). A building product comprising:

a composite board having a cellular, non-elastic core, top and bottom board surfaces, and a facer comprising a non-cellulosic fiber mat substrate; and

a water-based overlaying material applied to the composite board;

wherein the non-cellulosic fiber mat has a first mat surface and a second mat surface coated with a prefoamed, self-sustaining foam mixture.

2 (original). A building product as in claim 1 wherein:

the top and bottom board surfaces are fixed to the facer.

3 (original). A building product as in claim 1 wherein:

one of the top and bottom board surfaces is fixed to the facer.

4 (original). A building product as in claim 3 wherein:

one surface of the core is fixed to a cellulosic mat.

5 (original). A building product as in claim 1 wherein:

the non-cellulosic fiber mat is a glass mat.

6 (cancelled).

7 (original). A building product as in claim 1 wherein:

the water-based overlaying material is a cementitious material.

8 (original). A building product as in claim 7 wherein:

the cementitious material is Portland cement.

9 (original). A building product as in claim 1 wherein:

the water-based overlaying material is a finishing plaster.

10 (currently amended). A building product comprising:

an undersiding;

a composite board having a cellular, non-elastic core and top and bottom board surfaces and facer comprising a non-cellulosic fiber mat substrate fixed to the undersiding;

a reinforcing layer fixed to the board; and

a water-based overlaying material applied to the reinforcing layer;

wherein the non-cellulosic fiber mat has a first mat surface and a second mat surface coated with a prefoamed, self-sustaining foam mixture.

11 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the undersiding comprises a plywood board.

12 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the undersiding comprises dry wall.

13 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the undersiding comprises concrete blocks.

14 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the undersiding comprises pre-cast concrete.

15 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the undersiding comprises insulation boards.

16 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the non-cellulosic fiber mat is a glass mat.

17 (cancelled).

18 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the reinforcing layer is a self-furring lath.

19 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the reinforcing layer is a fiberglass mesh.

20 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the water-based overlaying material is cementitious.

21 (original). A building product as in claim 20 wherein:

the cementitious material is Portland cement

22 (currently amended). A building product as in claim ~~[[9]]~~ 10 wherein:

the water-based overlaying material is a finishing plaster.

23 (currently amended). A building product as in claim ~~[[9]]~~ 10 further comprising:

a layer of cement between the undersiding and the reinforcing layer.

24 (original). A building product as in claim 23 further comprising:

a layer of cement between the reinforcing layer and the finishing material.
